

Remedi SeniorCare's Service Area Continues to Expand with the Opening of a New Pharmacy in North Carolina

Baltimore, MD, August 2, 2017 – Jeffrey Stamps, R.Ph., President and CEO, announces the opening of Remedi SeniorCare's newest pharmacy located in Charlotte, North Carolina. "Remedi SeniorCare Pharmacy remains committed to expanding its geography to provide our revolutionary medication administrative system, PAXIT®, to the long-term care and assisted living industry. Unlike any other system in LTC pharmacy, PAXIT increases accuracy and dramatically reduces waste for all pharmacy payers, while providing the most time-efficient, organized, and safest medication pass system for nurses and medication administration professionals. We look forward to becoming part of the North Carolina LTC community," Mr. Stamps states. Bernie Smith, R.Ph. is the General Manager of the new Remedi pharmacy and Susan Swepston, R.Ph. is the Pharmacist in Charge. Both Bernie and Susan have serviced the LTC community in North Carolina for many years, bringing to Remedi's customers an unparalleled commitment to quality pharmacy services.

Remedi SeniorCare, a leading-edge pharmacy provider, enables long-term and post-acute care facilities and communities to deliver better business results and provide exceptional resident-centered care. In addition to PAXIT's high-tech advancements, Remedi's online and electronic tools via My Remedi web portal and Electronic Health Record (EHR) integration further drive business management efficiency and overall cost reduction. A thought leader in the industry, Remedi's recognized team of experts delivers practical, pertinent education for caregivers with the goal of education advancement. Remedi supports more than 55,000 residents across 30 states and the District of Columbia, with exceptional customer service, ensuring prompt access to medication delivery, expertise, and comprehensive support.
